Legal 500

Christian Bredtoft Guldmann er anerkendt indenfor 'Energy' og som 'Green Ambassador' af The Legal 500.

"Christian Bredtoft Guldmann: Excellent knowledge of industry standards. Very responsive and legal advice to the point."

"Christian Bredtoft Guldmann has an exceptional eye for legal issues, attention to detail, and contract drafting. Moreover, his availability and attentiveness concerning the matter at hand is highly appreciated. He is up to date with industry standards and thereby able to provide appropriate and prudent advice whenever in doubt of what is "usual". On the personal level, he is very pleasant to work with."

"It's a high-quality team with remarkable insight into the utility sector as a
