Publications

[DLA Piper advises CSEIP and E.ON on investment and financing of one of Europe's largest onshore wind farms in Sweden](#)

16 NOV 2018

DLA Piper has advised Credit Suisse Energy Infrastructure Partners AG (CSEIP) and E.ON on their investment into, and financing of one of the largest onshore wind farms in Europe, the 475-megawatt Nysäter project in Sweden. A fund advised by CSEIP will hold 80% of the joint venture, while E.ON will build and operate the wind farm under a long-term O&M agreement and retain a 20% equity stake in the project. The total investment amounts to approximately €500 million.
