Mikkel Bech Larsen deals primarily with real estate, advising on legal and commercial issues relating to the sale and purchase of real estate, project development, building and construction activities, etc.

Mikkel's primary practice areas are:

- the sale, purchase and development of private and commercial properties, including due diligence;
- drafting and negotiating sale and purchase agreements;
- business lease law;
- drafting construction contracts;
- dispute resolution in the construction industry, including survey proceedings before the Danish courts and the Danish Building and Construction Arbitration Board; and
- advising on the transfer of real estate in connection with bankruptcy, restructuring or solvent liquidation, including safeguarding the interests of charge holders, banks, financial institutions, other financial creditors, enterprises and cooperative housing associations.

Moreover, Mikkel provides volunteer advisory services to startups and self-employed persons at the INCUBA science park

in Aarhus.
