Joakim Rydal Nielsen provides legal advice on real estate and company law.

Within real estate, Joakim primarily advises property companies on lease law, including the drafting and negotiation of business leases, lease termination, including assignment as well as vacation issues, the sale and purchase of real estate, including legal due diligence in connection with transactions involving residential or commercial properties, and disputes related to real estate.

Within company law, Joakim provides advice on company structuring, including formation of companies, amendments of articles of association, capital increases, etc., and the sale and purchase of enterprises (M&A), including legal due diligence in connection with business transactions
