

Robert Eckerdal

Senior Associate

Location	Stockholm
Mobile	+46 73 722 93 92
Language	Swedish, English
Email	Robert.Eckerdal@se.dlapiper.com

Robert is a civil engineer with a sound grasp of strategic matters in urban planning and real estate development. This background empowers him to assist clients to resolve complex legal issues by offering insight on how, for example, different aspects of the urban planning process interact with each other.
