Thomas Thinning is part of our Operations and Service function as Facility Manager.

He is responsible for our office facilities in Copenhagen and Aarhus, including our front desk and meeting facilities as well as our canteen, and for the management of the employees in the Operations and Service team in Copenhagen and Aarhus.

Thomas performs a wide variety of facility-management tasks, including handling contact and coordination with suppliers and lessors, ensuring compliance with legal requirements regarding fire safety etc., and reporting and management of ISO 14001 compliance and audit.
