

Joel Montin

Partner, Lawyer

Location	Stockholm
Mobile	+46 73 221 93 43
Language	Swedish, English
Email	Joel.Montin@se.dlapiper.com

Joel Montin specializes in financial regulation, covering a broad range of matters, including licensing, conduct requirements, internal policies and procedures, and regulatory interactions. Joel's expertise spans various financial products and services, such as securities, derivatives, consumer credit, insurance distribution, and investment funds. With extensive experience in the banking and capital markets industry both in Sweden and internationally, Joel also has in-depth knowledge of fund distribution and structuring, fund investments, as well as financing aspects of insurance operations and consumer-related financial issues.

Before joining DLA Piper, Joel led the financial regulatory advisory practice at another law firm. Prior to that, Joel served as Head of Funding, Capital & Resolution, legal at Nordea and also gained experience at Sweden's central bank.

Ranking

Legal 500

Mentioned in Banking and Finance, 2025

"Joel Montin is an excellent "teacher" (for lack of a better word) of challenging legal topics, and his skill has really helped me, as company counsel, to get a grasp on central legal subjects pertaining to the financing at hand. Joel has handled my questions very well and has excelled in giving precise answers while at the same time keeping them understandable."
