Alexandre Latif Schleimann-Jensen provides advice on construction issues to owners in both the public and private sectors, Danish and international contractors, technical advisors and suppliers.

His experience extends to providing advice as well as conducting lawsuits and arbitration proceedings, including cases falling within the scope of the old and the new Danish systems of the General Conditions in the Danish construction industry and those within the scope of the international standard form contracts in the FIDIC Rainbow Suite.

In addition, Alexandre also advises on various issues relating to environmental law.
