

Nordic Secondment in Stockholm

Close collaboration between our Nordic offices is one of the core things in our business and sharing the same vision collectively drives our success. *The Nordic Secondment Week* is a unique opportunity for our employees to get to know their colleagues, another office culture and local practice groups in [Norway](#), [Sweden](#), [Finland](#) and [Denmark](#).

Secondments under the program are offered once a year in September. The secondment gives our employees the opportunity to visit another Nordic office and work with their Nordic colleagues for a week. Each office hosts three secondees from different locations.

“It was great to meet the Litigation and Arbitration department and see how they work at the Stockholm office. The biggest takeaway for me was the positive outlook and expectations for Nordic cooperation that everyone seemed to share.” – Saara Sorvaniemi, Associate, Helsinki
